2015 ApHC YEAR-END AND LIFETIME AWARD RECIPIENTS TO RECEIVE ADDITIONAL RECOGNITION

MOSCOW, Idaho— In order to celebrate and share its members' year-end and lifetime achievements with a broader audience and in a larger format, the Appaloosa Horse Club (ApHC) is presenting the 2015 yearbook in monthly installments in *Appaloosa Journal*.

Appaloosa success in race, show, trail, distance, Dressage and open events will be presented in full color sections that will showcase each discipline. The series began with the April issue that contained the year-end Racing awards followed in May by the Superior, Supreme and Versatility award winners. Hall of Fame inductees will be honored in the June issue and the series will continue through the end of the year. This sequence will be compiled in a downloadable format online at www.appaloosa.com.

To locate the *Appaloosa Journal* issue in which specific awards will be recognized, please refer to the following schedule:

Award Category	2015 Year-End Award Recipients
Year-End Medallions	July 2016
NP Medals	July 2016
Trail	August 2016
Production Plaques	August 2016
International High Points	September 2016
Youth Year-End High Points	October 2016
ACAAP, USEF	November 2016

ApHC is thrilled to offer this expanded recognition of top award winners in the Appaloosa industry. We hope you enjoy the coverage and join with us to celebrate the achievements of members and their talented Appaloosas.

The Appaloosa Horse Club (ApHC) was established in 1938 with a mission of honoring the heritage and promoting the future of the Appaloosa horse. The ApHC has since registered more than 700,000 Appaloosas, which are known for their distinctive color, intelligence and even temperament. True to their reputation as an extremely versatile breed, Appaloosas can be found in nearly every discipline including racing, endurance riding and serving as reliable family horses. The international breed registry is headquartered in Moscow, Idaho, the heart of the Palouse region—the Appaloosa breed's namesake and point of origin.
