It was my dream for nearly 30 years. Then my friend and I did it. The trip of a lifetime from the UK. We enjoyed it so much, wonderful

*horses, people
scenery, experiences.
So we did it again, and
again. Joyce
completed the ride 4
times before sadly
losing her fight for life.
I have been lucky
enough to ride 7
segments. A truly, truly
amazing experience,
with wonderful
memories.*
