The IRS requires the ApHC to obtain the correct taxpayer identification number (TIN) for persons for whom we have to file an information return (i.e. 1099-Miscellaneous for premium payback). If the correct TIN is not provided, subsequent payments can be subject to backup withholding per IRS regulations. **Premium checks will not be issued until the ApHC has a W-9 on file for all persons receiving these checks.** Therefore, you are required to complete the enclosed W-9 with the appropriate certifications and submit this form with your entry. This will prevent any payments from being subject to backup withholding and receipt of your premium check without delay. **Your exhibitor packet will be held if this form is not submitted with your entry.**

Please Note: The social security number listed on the W-9 form should be that of the current owner or in the case of multiple owners, that of the first listed current owner on the Certificate of Registration. If the first listed owner is a youth, the social security number needs to be for the youth.

All page numbers refer to the instructions on the W-9 publication from the IRS. Instructions are available at www.irs.gov or on request from the ApHC
