

**For your consideration, Candidate Jason Flinn, Territory VII.**

Dear Membership at Large,

It is with pride and motivation that I announce my candidacy as Representative of Europe for the Appaloosa Horse Club Board of Directors. I believe that I am the person best suited to represent our interests as *Europeans* in the ApHC. I feel that I am that person who can best represent the varying interests and priorities within our European affiliates and who can best create results that we will *all* benefit from. As European Representative, I want to unite our European Clubs in order to have a legitimate voice that will allow us to be heard in The US. I will be that voice that will represent you in The United States and that will bring The United States closer to Europe, closer to you.

I have long been an active member of the Appaloosa Horse Club here in Europe and I have long been an Appaloosa owner. I have enjoyed being a member of the German ApHC, the Italian ApHC, and the French ApHC. I have served on the European ApHC Bureau and participated for several years on the Board of Directors of the ApHCF, helping bring both of these associations into a more modern light so as to better serve its members. Through my years of experience here in Europe, I have always worked actively with the ApHC USA. This has allowed me to create an extensive network that I believe, as European Representative, could serve Europe as a whole.

I am an Appaloosa owner, and I am proud of it. I love my Appaloosas and I believe that the Appaloosa is one of the best breeds for today's demanding horse world. I am co-owner of Frontier Appaloosa, an Appaloosa ranch in Spain, where I breed and train Appaloosas. This has been my profession for the last 13 years and has allowed me to dedicate myself entirely to the Appaloosa breed. Through this dedication, I have created a successful breeding and training program which is reputed at a European level, as well as in The United States. As European Representative, this professional experience of promoting the Appaloosa breed will allow me to successfully serve the ApHC and to successfully serve you as your representative to the ApHC.

Thank you and I hope I can count on your vote.

Sincerely,  
Jason Flinn
