

For your consideration, Candidate Ray Burchett, Territory VI, Zone B.

**Raymond L. Burchett
Candidate for National Director
Territory VI, Zone B**

I would like to thank the members of Territory VI for entrusting me with the responsibility of being your Director of the Appaloosa Horse Club for the past three years. It has been an honor and a pleasure to serve you, the members, and I am hoping that you will give the responsibility and trust of representing you for another three years.

The past three years have been both challenging and rewarding. We all know we are in an economic crisis and for that reason we must work together even more to protect each other and more importantly the Appaloosa horse that we all love. I made a commitment to you three years ago that I would be available to you and be your voice to the Appaloosa Horse Club. I know we have not always agree with the Board's decisions on various matters but me assure you, your voice has been heard and I will continue to make your wishes known. It has been very apparent to me in the past few months that you, the members, want to be involved and want to be heard and I appreciate and solicit your input.

There are numerous areas that need major work and one is a 5-year plan for the future of the Appaloosa Horse Club. I believe my experience on the Board and the many years in this will help us to try and find the answers to move forward to market and promote this breed as "the Breed of choice".

I am looking forward to working with and for you as National Director of Territory VI, Zone B for the next three years. Please feel free to contact me at 727-671-9100 (days) or 717-541-5696. You may also e-mail me at the following address: ray.burchett@verizon.net

Thank you for your consideration.

Raymond L. Burchett
