

## Fee Waiver for Single Judge Show

### Here's how it works:

1. Approval fees are \$25/show if sponsored or co-sponsored by a regional club or \$50/show if sponsored by an individual (and said individual must be a current ApHC member in good standing).
2. Minimum class requirements still apply. See the show approval application form for details on minimum requirements for open, non-pro and youth divisions. This form is available on the ApHC Web site.
3. Shows must be combined with open, all-breed classes and said classes must be intermixed with regular ApHC-approved classes. A copy of the show bill, listing classes in scheduled order, must be submitted with your approval application.
4. There are to be a limited selection of basic classes at these shows. However, regional clubs may choose a class list that best reflects the needs/interests of horse owners in their geographical area.
5. These single judge shows shall not be held in conjunction with another ApHC-approved show and shall not be held at the same facility within 5 days of another ApHC-approved show.
6. At the conclusion of the show, submit all class placings in all ApHC-approved classes so that horses and exhibitors may earn national points. DON'T turn in any national point fees!

### Frequently Asked Questions

**A:** In ApHC approved shows only horses, including current year foals, registered with the ApHC in the Foundation, Permanent, Tentative, or CPO registry are eligible to participate as well as non-characteristic horses with an "N" prefix on their registration number and that have been granted a Performance Permit. Horses with Certificates of Registration stamped, "Not eligible for show or exhibition in ApHC-approved events" are not eligible to show at any approved show.
