

ApHC Distance Program

QUALIFICATIONS FOR DISTANCE PROGRAM:

Credit for mileage will not be given nor will records of miles completed be kept on any eligible horse until it is enrolled in the distance program. To enroll a horse, a program application must be completed and returned to the ApHC along with the one-time filing fee of \$25.00 per horse. Your ApHC membership fees must also be paid for the qualifying year. **No mileage earned prior to the date of enrollment will count.**

- 1) All Appaloosas must be ApHC regular or CPO-registered and must be a minimum of five years old. (*There is no limit on rider's age or that of owners and breeders.*)
- 2) All horses competing must be owned by an active member of the ApHC for the qualifying year. (If owned by more than one person, *one* owner must be an active ApHC member.)
- 3) Breeders need not be active ApHC members unless the owner and breeder are the same person or persons. However, in order for the breeder(s) to be eligible to receive the ApHC distance breeder's medallion, **they must have been active ApHC members during the breeding season (the year the dam was bred).**
- 4) Ride results must be recorded on official forms provided by and available from the ApHC.
 - In the competitive and endurance division the riders and/or owners are responsible for making sure these official forms are provided to the ride secretaries. Ride results received directly from ride secretaries and ride organizations will be the only results recorded. Riders must **also** keep their own results recorded in the ApHC medallion log to be turned into the ApHC at the end of their ride season. Logs will be double-checked against official ride results for accuracy. It is the riders and/or owners *sole* responsibility to provide **official** results.
 - **All ride results and ApHC medallion logs showing the required number of miles must be accompanied by a photo of the horse and must be received by the ApHC on or before December 15 for mileage completed in the same year.** Extensions to the date can only be made at the discretion of the Distance Coordinator following a written request.
 - If you are striving to earn the Chief Joseph Commemorative Award, there is a "Chief Joseph Commemorative Award Log" to be used for recording each of your 10 endurance and 10 competitive rides. To participate for the Chief Joseph Award, you must be an active member of the ApHC and each Appaloosa used must be enrolled in the distance program for each year of riding you wish to apply towards the earning of this award. All rules and deadlines of the distance program apply.
 - Rides sanctioned by the American Endurance Ride Conference (AERC), Great Lakes Distance Riding Assn. (GLDRA), Upper Midwest Endurance and Competitive Ride Assn. (UMECRA), Washington State Horseman, Inc. (WSH), Arabian Horse Association of Ohio (AHAO), Ohio Arabian Horse Assn. (OAHA), Appaloosa Distance Riders Association (ApDRA), North American Trail Ride Conference (NATRC), Eastern Competitive Trail Rider Assoc. (ECTRA), Southeastern Distance Riders Assoc. (SEDRA), Texas Endurance Riders Assoc. (TERA), Dutch Endurance Riders (DER), and Netherlands Noreniging Lande Afstands Ruiters (NVLRL) are approved by the ApHC. **The ApHC also reserves the right to approve any other distance ride it deems suitable.**

AWARDS:

- A. Medallion - Distance medallions are awarded annually to horses completing 350 miles in open divisions in competitive rides and 350 miles in open division in endurance rides within one-year prior beginning December 1 and ending November 30 the following year. Endurance rides of

50 miles or more will count; novice rides of less than 50 will not count. Competitive rides of 25 total miles in the open division will count; any ride less than 25 total miles will not count.

- ❖ "Best of Condition" and "Sweepstakes" winners should be noted, as double mileage is given for these special awards.

 - ❖ The same rides approved for a medallion will also count for 1,000-mile credit.
 - ❖ Mileage accrued during a novice ride will not count, and no double mileage will be given.
