

PLANNING & REVIEW COMMITTEE MEETING

March 10, 2016

Participants: Lynette Thompson, Ray Burchett, Chuck McWhirter, Diane Rushing, Todd Michael, Leslie Foxvog, Terie Clark, Dena Raggio.

Ad Hoc Committee on ApHC Committee Structure

The group discussed modifications to the working document and agreed to move forward with a recommendation at the April board meeting and that implementation should begin in 2017.

Ad Hoc Committee on Hall of Fame

The group expects to have a conversation ahead of and also during the April meeting. Primary focus is to gather as much relevant information as possible before trying to make a decision. General consensus is that the specific induction qualifications and the selection process both need analysis and revision.

Foundation Horses

A group of ApHC members have asked for a new Foundation Appaloosa category, but the conversation has also involved a request for changes to the judging criteria for FPD classes. Research continues on possible ways to accommodate any changes to the overall classification program.

There was discussion of how ApHC might be able to offer recognition for FPD horses that are competing at non-ApHC events/shows.

Convention

The committee discussed options for holding an ApHC "Convention" in 2017 and also asked staff to explore potential cooperative events with other breed groups.

Meeting was adjourned.
