The International Breed Registry for Appaloosa Horses

The Appaloosa Youth Association (AYA) is the youth affiliate of the Appaloosa Horse Club. Officially approved in 1981, the AYA was the first youth program developed to complement an equine breed association.

The Appaloosa Horse Club (ApHC) was established in 1938 with a mission of preserving, promoting and enhancing the Appaloosa breed. The ApHC has since registered more than 670,000 Appaloosas, which are known for their distinctive color, intelligence and even temperament. True to their reputation as an extremely versatile breed, Appaloosas can be found in nearly every discipline including racing, endurance riding and serving as reliable family horses. The international breed registry is headquartered in Moscow, Idaho, the heart of the Palouse region—the Appaloosa breed's namesake and point of origin.
