THE 2019 EXEMPLARY REGIONAL CLUB AWARD

MOSCOW, Idaho—Appaloosa Horse Club (ApHC) would like to congratulate the Kawartha Regional ApHC for receiving the highest score in the ApHC's 2019 Exemplary Regional Club contest. This award was developed to recognize Regional Clubs that go above and beyond when promoting the Appaloosa breed.

Kawartha Regional ApHC will receive a \$500 check from the ApHC, an engraved glass plaque, and two tickets to the Year-End Awards Banquet that will be held at the 72nd National Show this summer in Fort Worth, TX.

Kawartha competed against five other Regional Clubs representing four territories. The second highest score went to the Keystone ApHC who will receive a certificate and a check from the ApHC for \$250. The third highest score went to Dal-Worth ApHC who will receive a certificate and a check from the ApHC for \$100. Western Washington ApHC, Delaware ApHC, and Everglades ApHC will receive Certificates of Merit for their participation in the contest.

The ApHC applauds the efforts of every one of the participating clubs, which included submitting a digital scrapbook detailing their Regional Club Appaloosa shows, activities, sales and other events. The clubs were scored by the ApHC Board of Directors Regional Club Committee in categories that focused on member participation. To view the scrapbook submissions, visit the Appaloosa Horse Club's [YouTube channel](#).

The deadline for next year's competition is January 31, 2020.

The Appaloosa Horse Club (ApHC) was established in 1938 with a mission of honoring the heritage and promoting the future of the Appaloosa horse. The ApHC has since registered more than 700,000 Appaloosas, which are known for their distinctive color, intelligence and even temperament. True to their reputation as an extremely versatile breed, Appaloosas can be found in nearly every discipline including racing, endurance riding and serving as reliable family horses. The international breed registry is headquartered in Moscow, Idaho, the heart of the Palouse region—the Appaloosa breed's namesake and point of origin.
