"Like every organization, we face some hurdles moving forward, but I've always believed that great challenges create great opportunities. And 2020 is going to be a great year for the Appaloosa horse industry. We have a committed, dedicated board of directors, outstanding staff, and thousands of members who are 'chomping at the bit' to pitch in and help move our club forward. But, most importantly, we have one of the most unique, and easily-recognizable, breed of horses in the world at the heart of our industry. I'm very encouraged about what the future holds."

The ApHC Board of Directors will hold their annual spring meeting April 2nd – 5th, 2020 in Las Vegas, NV.

The Appaloosa Horse Club (ApHC) was established in 1938 with a mission of preserving, promoting and enhancing the Appaloosa breed. True to their reputation as an extremely versatile breed, Appaloosas can be found in nearly every discipline including racing, endurance riding and serving as reliable family horses.
