### **ApHC 2020 BOARD TERRITORY I RUNOFF ELECTION**

**MOSCOW, IDAHO** — The candidates for Territory I in the 2020 ApHC Board Election received the same number of votes, and therefore resulted in a tie. The candidates for Territory I are Tom Hodges of Dexter, Oregon, and Kama Urton of Circle, Montana. According to ApHC By-Law, Article IV, Section 2, Part G, in the event of a tie, a runoff election shall be held between such candidates.

The runoff election will begin December 1, 2020, at 8 a.m. PST, and will end December 15, 2020, at 8 p.m. PST. The election will be managed by the election company, Intelliscan, Inc. Eligible members residing in Territory I will receive an email and mailed postcard from Intelliscan with their member ID number and ballot control numbers.

Biographies for the two candidates can be read here: <https://www.appaloosa.com/association/bod.htm>

When open, voting will be available online at the following secure site: <https://secure.intelliscaninc.net/aphc/2020/>. All votes are confidential. Members are encouraged to contact Intelliscan, Inc. with any questions regarding the election at (610) 935-6172 or at [arbitell@intelliscaninc.com](mailto:arbitell@intelliscaninc.com).

*The Appaloosa Horse Club (ApHC) was established in 1938 with a mission of preserving, promoting and enhancing the Appaloosa breed. The ApHC has since registered more than 700,000 Appaloosas, which are known for their distinctive color, intelligence and even temperament. True to their reputation as an extremely versatile breed, Appaloosas can be found in nearly every discipline including racing, endurance riding and serving as reliable family horses. The international breed registry is headquartered in Moscow, Idaho, the heart of the Palouse region—the Appaloosa breed's namesake and point of origin.*
