Avoid Rush Fees!

With show season upon us, it is important that your Appaloosa be registered, transferred, advanced, or entered in the Performance Permit program prior to showing. We don't want you to have to pay a RUSH fee in order to have your registration work completed in time for your show!

The ApHC suggests an allowance of six weeks for registration work completion. Please contact us at least ten days prior to your show date to be certain your work will not require a RUSH payment to be completed in time. Hopefully you will be pleasantly surprised to find your processed work in your mailbox earlier than predicted! But, as the saying goes, better safe than sorry. We look forward to receiving your registration work!
