The IRS requires the APHA to obtain the correct taxpayer identification number (TIN) for persons for whom we have to file an information return (i.e. 1099-Miscellaneous for premium payback). If the correct TIN is not provided, subsequent payments can be subject to backup withholding per IRS regulations. **Payout checks will not be issued until the APHA has a W-9 on file for all persons receiving these checks.** Therefore, you are required to complete the W-9 with the appropriate certifications when submitting this entry. This will prevent any payments from being subject to backup withholding and receipt of your payout check without delay. **Your exhibitor packet will be held if this section of the form is not complete.**
