This report must be received in the ApHC office within 30 days of the ride. Send to Trail & Distance Coordinator, 2720 W. Pullman Road, Moscow, ID 83843. See current year *Official Handbook of the ApHC* for enrollment fees and guidelines.

It is the sole responsibility of the owner to complete this form, obtain the ride manager's signature and submit it to the ApHC office for miles to be entered into the horse's record. While reports are requested within 30 days of the ride, they must be submitted no later than Dec 15 following the end of the current ride year (Nov 30). Ride results received after that date will not be accepted or recorded. Mileages and participation will be verified with the sanctioning organization(s).

Endurance Ride Notes

Endurance rides of 50 miles or more will count toward medallion status. Limited distance endurance ride mileage will be recorded on the horse's performance record but do not count toward medallion status.

- **The horse must be enrolled in the distance program to earn miles – one-time fee of \$35/horse.**
- After the first year, there is an annual \$10 fee to have results recorded in the horse's record. This fee should be submitted with the first ride report sent in for the current ride year.
- Both the current recorded owner of the horse and the rider (if different than the owner) must be current ApHC members for mileage to count.
- The horse must receive a completion for mileage to count.
- ApHC Ride Year is December 1 – November 30.
- Ride results must be received by the ApHC within 30 days of the ride in order to track current status of Year-End Award mileage. Absolute deadline is Dec 15.
- Endurance rides of 50 miles or more in length will be applied to the annual medallion, annual high mileage awards, the 1000-mile award and the Chief Joseph Commemorative Award.
- Limited distance rides of 25 miles or more will be applied toward the 250-mile ROM and 500-mile SEA.
- Double bonus mileage will be awarded to a horse receiving the Overall Best Condition award at a given endurance ride. These double miles are applied toward the 350-mile medallion only. This is for the *overall* Best Condition award, not for any subdivision of age, weight or ApHC-registered competitors.
- There is a late fee of \$75/year to correct mileage records from prior years. Mileage added after the completion of the ride year shall not affect any annual or year-end awards earned within that ride year.

Recording Fee - \$10 (Please remit payment with first ride report each year)
