ApHC ENHANCES INTERNATIONAL EXCHANGE PROGRAM

MOSCOW, Idaho—International members interested in participating at the highest level of American Appaloosa competition now have the opportunity to do just that. The Appaloosa Horse Club (ApHC) is pleased to offer the International Exchange Program, which allows international youth and non-pro members the chance to show at ApHC-sponsored or -approved events, such as the National Appaloosa Show, in the United States!

The International Exchange Program allows each ApHC International Affiliate to nominate two youth and two non-pro members in good standing with both the international affiliate and the ApHC. The affiliate organization must provide written notification of the member's participation to the ApHC.

The ApHC will waive ownership requirements, allowing exchange exhibitors to show an eligible Appaloosa in up to three (3) classes at the National Appaloosa Show, Youth World Championship Appaloosa Show or World Championship Appaloosa Show and one (1) ApHC-approved show per calendar year. The visiting exhibitor is responsible to find an eligible Appaloosa, lodging, meals, related expenses and travel, as well as for published entry fees and other associated costs. The exhibitor may not participate in the International Exchange Program in consecutive years.
