APPALOOSA HORSE CLUB

The Appaloosa's colorful ancestry can be traced back to earliest recorded time, but it is in the American melting pot that the spotted horse established itself as a true breed.

The Nez Perce Indians of the Inland Northwest deserve much of the credit for the Appaloosa horses we have today. However, the influx of white settlers to the Northwest changed the Nez Perce's destiny and nearly destroyed the legacy of their horse-breeding efforts. In 1877 when the Nez Perce rebelled against the treaties being imposed upon them, war ensued. Finally surrendering in Montana, the Nez Perce were forced to relinquish their horses.

As a result of the war and subsequent raiding of the ranges, the Appaloosa became a "lost" breed, its glorious history neglected until 1937.

DARRELL DODDS

Realizing the importance of preserving and improving the spotted breed, Claude Thompson, a long-time Appaloosa breeder, along with the help of a small group of dedicated horsemen, established the Appaloosa Horse Club (ApHC) in 1938.

Today Appaloosas are used in nearly every equine discipline from racing to Dressage and roping to jumping. Outside the competitive arena, Appaloosas are used as working ranch horses, trail horses, lesson horses, and safe reliable family horses.

The ApHC is the official international breed registry of Appaloosas Horses with a mission dedicated to honoring the heritage and promoting the future of the Appaloosa Horse. The ApHC offers a wide variety of programs and services to support the breed and members through both competitive and non-competitive events.

NON-PRO PROGRAM

HOOFCLIX PHOTOGRAPHY

If you're an Appaloosa owner who hasn't joined the ranks of professional trainers, you may enjoy a full range of competition in the non-pro division. At Appaloosa shows you'll find classes custom tailored to your ability and you will compete with other Non-Pro's who share common interests and partnerships with their Appaloosa horses. If you're an amateur and want to earn recognition and be awarded for your dedication, hard work and accomplishments, the ApHC non-pro program is the place for you.

A non-pro must be 19 years of age or older (or married and ineligible for the Appaloosa Youth Association program) as of January 1 of that year. Non-pros cannot have shown or trained a horse for payment or engaged in activities during the last three years that would make them a professional.

A non-pro must be a member of the Appaloosa Horse Club and must have a current non-pro membership with the ApHC.

FUN & FRIENDSHIP

People of all ages and backgrounds come together on the Appaloosa show circuit to share their common interests and partnership with Appaloosa horses. Appaloosa non-pros aren't content to sit in the stands and watch others; they're people who go out and make things happen while building lasting memories.

DIVISIONS OF THE NON-PRO PROGRAM

The ApHC offers four non-pro divisions allowing you to compete with your peers, based on your ability and experience. Non-pros may compete in any or all of the non-pro divisions if eligible according to age and/or number of points earned.

Visit www.appaloosa.com or call (208) 882-5578 to find out more about the ApHC Non-Pro Program and how to enroll. See the *Appaloosa Horse Club Official Handbook* for ownership requirements, specific award details and program fees.

ApHC TRAIL RIDES

ApHC-sponsored trail rides are a wonderful way for members to enjoy the great outdoors and build life-long memories with other trail-riding enthusiasts. Each year the ApHC hosts the Chief Joseph Trail Ride. Held in midsummer, it is the ApHC's longest running and most popular ride. This ride covers the historic route of the Nez Perce as they fled the U.S. Cavalry in 1877 through Oregon, Idaho and Montana.

Riders who participate in ApHC-sponsored and/ or ApHC-approved recreational rides may enroll horses in the Distance Program and record miles ridden toward annual and lifetime awards.
