## **The Appaloosa Horse Club Transitions Completely to Oklahoma City, Oklahoma**

Oklahoma City, Okla., April 10, 2026 – There is more than just the wind that “comes sweepin’ down the plain” in Oklahoma. The Appaloosa Horse Club (ApHC) will be sweeping into Oklahoma City and “staking its claim” in Stockyards City in Oklahoma City starting April 28, 2026! This monumental move has taken great effort from the Board of Directors, staff, and with the support from new friends in Oklahoma City. While ApHC is excited to welcome Appaloosa enthusiasts around the world to the new international headquarters, there will be some disruption to the regular member business operations. Between April 21 and April 27, all online member services will be offline and unavailable worldwide. These services include processing memberships, registrations, transfers, National and Youth World Show sponsorships, and point lookups.

“We are so excited to become a part of Oklahoma City while remembering our history and the very important place the Palouse region in Idaho has in our hearts. While our heart and history live in the Palouse region, our future lives in Oklahoma. Please be patient with our transition, and if you have any questions or concerns about how this move affects your relationship with ApHC, please call our office, and we will do our very best to accommodate your needs,” said Lori Wunderlich, ApHC President.

Once moved, decorated, and open, the new ApHC International Headquarters will be located in historic Stockyards City in Oklahoma City, Oklahoma at 2200 SW 13<sup>th</sup> Street. Beyond visiting the new location once open, visitors will be able to enjoy great western wear shopping, awesome western home décor and furniture stores, wonderful food, and on Monday’s and Tuesday’s, a live cattle auction at the historic Stockyards. Visitors will also understand the cherished history behind winning everything with a “hard 6”. In addition, ApHC joins other organizations in the district including the Oklahoma Cattlemen’s Association and the International Pro Rodeo Association.
